## FATHERS DAY ROOT BEER FLOAT & FIELD DAY CHANGE IN DATES June 16 Held at Stosky Park

More details to come from your child's classroom....Students will be at the park for field day. Classes will hold their Father's Day Root Beer Float and activities during the afternoon at the same location by the picnic area. We do not have space available for floats at the school site and thought this would be a good setting for our dads and those watching the field day events as well.
